"In the air"

in the air...

vocaldente are back with a fresh breeze! the award-winning vocal quintet from hanover takes you to dizzying heights, high up!

No matter whether their melodies float "Über den Wolken" (above the clouds) or their hands are "up in the air" for the rave, vocaldente show a range of airy harmonies and perfect sentence singing, so that the mood rises properly!

From Comedian Harmonists to Taylor Swift, the five singers are masters of their vocal aerial leaps without a net or double bottom, and their natural sound is a source of enthusiasm.

So hold your breath, because there's something in the air!
